

PICK, PACK, PROTECT & PROMOTE

At Glama Pak we understand the importance of the right packaging to suit the needs of fresh produce growers and marketers. We have worked with industry groups and individuals to create the size, capacity, shape and construction of the ideal pack for all types of fresh produce.

At Glama Pak we manufacture our own superior grades of Glama Flute, B flute, C flute and BE twin cushion for maximum strength and durability.

Integrated in-house design, art and print services ensure the best possible result in practicality and appearance.
